Subject: Encana Pavillion call

To EPA media spokespeople:

Encana will hold a conference call at 11 a.m. Mountain time on one-year anniversary of EPA's report on groundwater contamination in Pavillion, Wyoming.

I hope that EPA will make a spokesperson available for comment following that call. Who is the best person to contact there?

I'd appreciate it if someone could get in contact with me by calling me at 713-658-3229 or by replying to this email. Thanks for your response to this query.
